

FROM THE DESK OF MAYOR GLEASON

Wow what a whirlwind of the last few months since being elected to office. So many updates and exciting news to share with you. We are moved into the city hall and are feeling pretty comfortable. We hired 2 new city maintenance workers. Jessie Medina and Tyler Fedderson, The City wishes Troy the best in his new role. They are a huge asset to the city, and we welcome them. So, if you see them, say Hi.

Since its spring, projects are starting to come together. A local resident took the liberty to plant flowers that will be placed around the city in special pots created by one of our local farmers. The work crew is out and about mowing and trimming. New parking lines are being repainted on D street, curbing being removed, streetlights replaced. Department of Corrections were here to mow and trim the cemetery, triangle, the lot on D street and the new City Hall. Leaves were removed and weeds were pulled. The city crew, Jessie and Tyler, are filling potholes in the ally, and we are beginning to trim branches that need to be trimmed within the city. With the help of Matt, turning on the water and checking fire hydrants and fixing broken heads.

We are continuing to work on the ordinance 450 with the focus this month of “multiple dwellings, Rv’s being lived in without being in a designated trailer space without proper sewer and water hook ups.

As always, I am always available. Come in, relax and join me for a cup of coffee or a glass of sun tea.

MORE FROM YOUR COUNCIL

THANK YOU FOR GIVING ME THE OPPORTUNITY TO SERVE ON PRESCOTT’S CITY COUNCIL. MY NAME IS TIFFANY STRUTHERS, AND I AM HONORED TO BEGIN MY FIRST YEAR REPRESENTING OUR COMMUNITY. I WAS BORN AND RAISED ON A WHEAT FARM WEST OF TOWN, NEAR EUREKA. GROWING UP ON A FARM TRULY FOSTERED A LOVE OF RURAL LIFESTYLES AND CULTIVATED A DEEP APPRECIATION FOR MOTHER NATURE.

I CHERISH SPENDING TIME OUTDOORS WITH MY LOVED ONES. IN THE SUMMER, WE BALANCE WHEAT HARVEST WITH RELAXING DAYS AT THE RIVER. WHEN WINTER ARRIVES, FAMILY SKI TRIPS TO BLUEWOOD FILL OUR WEEKENDS WITH LAUGHTER AND ADVENTURE. RAISING MY TWO CHILDREN IN PRESCOTT HAS BEEN A BLESSING, KNOWING THEY CAN PLAY SAFELY AND FREELY IN OUR WONDERFUL COMMUNITY.

I AM GRATEFUL FOR THE CHANCE TO SERVE AND GIVE BACK TO A PLACE THAT HAS GIVEN ME SO MUCH.

SPRING IS OFFICIALLY HERE, WHICH MEANS EVERYTHING IS STARTING TO WAKE UP! THIS YEAR THE CITY INTENDS TO CONTINUE TACKLING OUR PUNCTURE VINE/GOAT HEAD (TRIBULS TERRISTRUS) INFESTATION. I WOULD LIKE TO TAKE THIS TIME TO ASK THE COMMUNITY TO “DIG IN” AND HELP. THE EASIEST WAY TO RID YOUR PROPERTY OF PUNCTURE VINE IS TO DIG UP THE PLANT AND DISPOSE OF INTO THE GARBAGE. YOU CAN ALSO IMPLEMENT “SPOT” SPRAYING, BUT THIS IS ONLY RECOMMENDED WHEN THE PUNCTURE VINE ARE VERY SMALL AND HAVEN’T STARTED PRODUCING SEEDS YET. ANY AND ALL HELP IS WELCOMED TO CONTROL THE PUNCTURE VINE IN PRESCOTT.

THE CITY OF PRESCOTT IS ALSO LOOKING TO GROW ITS “SMALL WOKS ROSTER”, FOR FUTURE PROJECTS HAPPENING WITHIN PRESCOTT. IF YOU ARE INTERESTED IN BEING ADDED TO THE ROSTER PLEASE CONTACT CITY HALL.
